

Employee Action Days

The Sherwood Forest Trust is a charity dedicated to protecting, restoring, and celebrating the landscape, wildlife, and heritage of the legendary Sherwood Forest.

We have been working with communities and local businesses in and around historic Sherwood Forest for over 30 years. Over this time, we have facilitated team action days for organisations such as Linneys, DHL, KPMG, Rolls Royce, Mansfield Building Society and many many more.

We can provide a range of seasonal team days, such as:

Energetic & Active: Heathland Protection & Restoration

In spring we're protecting habitats, species monitoring, and early invasive species control. In summer we're wildlife surveying and light-touch habitat management. In autumn/winter its hands-on restoration and scrub clearance.

Group size: varied, dep. on site.

Sites: Vicar Water (NG21), Oak Tree Heath (NG18) or Sherwood Heath (NG21)

Mindful & Rejuvenating: Seed Collecting and Growing

On a full-day session we'll begin by collecting seeds from Sherwood's veteran trees, before taking them back to our community nursery for processing. At the nursery we'll be sowing, weeding and watering, taking time to slow down and enjoy this mindful, hands-on activity.

Group size: Up to 10

Site: Sherwood's Community Tree Nursery, NG21

We provide a safe and enjoyable day facilitated by skilled conservation staff, plus:

- All tools, equipment, and safety training.
- Insurance and risk assessments.
- Tea, coffee, and light refreshments. Lunch by seperate arrangement
- Parking and access to welfare facilities.

Sponsorship & Funding

We're a small Nottinghamshire charity, and the only organisation dedicated entirely to Sherwood Forest. To continue our work, we rely entirely on donations, grants, sponsorship and earned income.

Sponsorship Packages

Partner with us to have the greatest impact over the course of the year, example packages include:

£5,000 Heathland Heros: Help protect and restore 3 hct of precious Sherwood heathland, providing valuable habitat for rare species and future carbon storage. Within this we will facilitate 3 team action days for your team per year.

£3,000 Growing Sherwoods Future Trees: contribute to growing and establishing hundreds of new trees for community planting projects. Within this we will facilitate 2 team action days for your team per year at the nursery (groups up to 10).

One off Team Days

To cover our costs of providing these days, we charge:

- £1500 for large groups up to 50 (3 facilitators)
- £1000 for medium size groups to 25 (2 facilitators)
- £600 for small groups up to 10 (1 facilitator)

Extras

Catering:

Breakfast cob & brew £8 pp

Lunch: Hot & cold buffet £20 pp

Activities:

Cycle hire, accommodation, access to meeting space, nature activities such as willow weaving and forest bathing. Prices on request.
